Login to BestITCourses.com

To get access to <https://www.bestitcourses.com>

If you have provided your email at the time of enrollment, an account is already created with that ID and a welcome email is sent to you. In case you don't find an email in your Inbox, please look at the **SPAM** folder and mark it has **NOT SPAM** for all future correspondence.

If you don't know the Password, please use **Forgot Password** option on Login Box or Login using Google if you have Google ID.

The screenshot shows a web interface for logging in or registering. At the top, there is a blue header with the text "Login or Register" and a close button (X). Below the header is a red button with the Google logo and the text "Sign-in with Google". Underneath is a white form with two tabs: "Sign In" (selected) and "Register". The "Sign In" tab contains two input fields: "Your email" and "Enter Password". Below the "Enter Password" field is a red-bordered button labeled "Forgot Password?". At the bottom of the form is a blue button labeled "Login".

How to join the Live Sessions

Go to <https://www.bestitcourses.com/LiveSession>

Note: You will need to Login with the **Email ID shared with our team** while registering for the course.

Important Notes:

1. All the Live Sessions links will come here only **30 min before the actual time** of the session. Example: Class is at 7:00 AM (IST) Link will appear after 6:30 AM (IST)
2. If you are unable to join the meeting or Link does not appears please text on WhatsGroup and then also **CALL** either Kashmirah Shah: +91 8008327000 or Subham @ +91 9704986097.
3. We repeat, please **CALL** (not text or WhatsApp) as it is important, and you should not miss the session. Don't expect them to always keep an eye on the group and revert back to you. Also, note that they may not respond after the session starts.
4. In the worst case, you can call your trainer before the session starts but please avoid as its's difficult situation for them.

How to access videos and courseware

- Most of our Live courses are also packaged with access to videos for a duration which varies based on package/course you have registered for.

Steps to access videos:

Important Instructions about accessing Videos

Note: We request you not to switch between videos very frequently. Please note that opening videos more than 3 times within 5 minutes will result in automatic deactivation of your account. To activate your account, you have to then send request to support@bestitcourses.com

Rules to follow:

1. Please make sure that you can't and you don't even attempt to download the videos on your local system and always watch the videos online only.
2. Please make sure that you don't share your login / videos with others.
3. Please make sure that you don't open more than one video at a time as this will cause load on server and others will get affected.

If you violate any of the above rules, our system will automatically detect and will deactivate your account permanently.

How to get access to Azure Portal for Azure courses

If you have enrolled for **Azure courses/packages**, you will receive an email from Aditya Soni with all the details for the Portal Subscription. You can use this for practicing in Azure.

In this email you will be getting Credentials to login at Azure Portal <https://portal.azure.com>

If you have not received email

1. Please check your spam folder for an email from aditya.soni@deccansoft.net
2. Contact Mr. Aditya, either call or SMS him at +91 93474 58388.
3. If you don't get any response in 6 hours, please contact Mr. Sandeep Soni @ +91 9849001840.

We request you to delete all the resources after you have completed your practice session.

Important: Please note as this is a Shared Subscription all the resources will be **deleted every day between 5:30 PM – 6 PM (IST)**

- **Dedicated Azure Pass**, if required, you can buy a dedicated Azure Pass for Rs. 1500 per month. This subscription will be used by you alone and has a validity of 1 month / 100 USD.
- **Extending Shared Subscription:** Based on the course we provide limited FREE Azure access. After the access is completed, you can either buy a dedicated Azure Pass for Rs. 1500/- or extend your shared subscription by paying Rs.800/- per month.

To buy the same, please contact either Kashmira Shah or Aditya Soni.

About WhatsApp Group

Based on the course you have enrolled, you will be added to a WhatsApp group of that particular batch. Here you can

1. Ask any technical questions / doubts.
2. Post your learnings about the subject.
3. Answer Questions asked by others.
4. Updates about the live class. Eg: Class cancellation.
5. Your trainer will share some documents if required.
6. Post any Job Opportunities in your company or known circles.
7. Connect with your trainer as he/she will be part of that group.

Most Important: You are **not supposed to share the Live Session Meeting Link or any courseware** in the group even if someone is asking, instead guide them to go to <https://www.bestitcourses.com/LiveSession> or ask them to contact our backend team.

How can you upgrade the package you have enrolled for?

If interested, you can upgrade your enrollment to a higher package. Eg: From Azure Suite to Azure Suite Plus or to Gold Membership.
